

11 Miss 66

1.) Your daddy had money
And you were his honey
Your youth was so funny
But he forgot to train your brain

2.) Private school graduation
Bought examination
Your justification
Is he forgot to train your brain

R.) Miss 66!
Quiet please!
Don't say a word!
This nonsense you bleat makes me hurt

B.) Miss 66
Now it's too late
You didn't get more I.Q. than sixtysix
Now it's your fate
Miss 66
Won't you be quiet please!
I can't stand a word more
You bleat such a nonsense
That I never heard before
